

2014 Annual Meeting

May 14—16, 2014 | UGA Hotel and Conference Center, Athens, GA

OBJECTIVES

1. Share and reflect on emerging research results within project and with corporate and non-corporate stakeholders.
2. Obtain input and feedback from corporate and non-corporate stakeholders.
3. Create a comprehensive plan and timeline for the final two years of PINEMAP, including continuation of integration platforms, the creation of outputs for the PINEMAP Decision Support System, and assessment of outcomes.
