Icebreakers? Are
you kidding?!

05/02/2011

Pine Integrated Network: Education, Mitigation, and Adaptation project (PINEMAP) is a Coordinated Agricultural Project funded by the USDA National Institute of Food and Agriculture, Award #2011-68002-30185

United States
Department of
Agriculture

National Institute
of Food and
Agriculture

New Faces

- Grace Crummer – Project Manager
- Khori Battle – TerraC Manager
- Rosvel Bracho – Data Liaison

Meeting Objectives

- Share research results within integration platforms and across project
- Review and update timelines for final year of PINEMAP, set objectives for final meeting, including inputs to DSS, big papers, and packaging outreach to diverse audiences
- Reflection, visioning, and planning for post-PINEMAP future

Agenda

Wednesday

- Big Science talks
- Invited Speakers
 - Dave Tenny, NAFO
 - Joe Heimlich, COSI
- Poster session
- Integrative paper planning
- Dinner at Flinchum's Phoenix

Agenda

Thursday

- PINEMAP 5K fun run
- Outreach
- Integration platform timeline updates
- Visioning final meeting
- Post-PINEMAP future

This meeting is a little different...

- Few formal opportunities for within-group planning
 - Shorter meeting
 - We need time for focus on big picture
 - Emphasizes need to keep lines of communication open
- Our last in-person internal meeting as a group?

Things to keep in mind

- Outcomes remain our focus
 - primary stakeholders: planted pine managers and owners
 - other forest owners/managers
 - policymakers
 - general public
- Integration platforms and integrative papers will be important mechanisms for reaching goals on both science and outreach
- When in doubt, communicate
