

# Day 1 Wrap-up Activity

---

- We want to determine the extent of consensus on project outcomes:
  - Look at project goals/ outcome themes handout
  - Given what we saw and discussed today, can we create conclusion titles for a PINEMAP 1-pager handout?
    - Include caveat(s)
  - Write your 1-liners on index cards
  - Share with group
- Tomorrow morning the floor is open to everyone, so think about what you'd like to share tomorrow and how it fits into the PINEMAP big picture
- Look at 2<sup>nd</sup> order papers list on agenda for tomorrow afternoon's workshops - any missing papers you'd like to add?
